

## Office of Public Instruction Goals and Objectives

The Office of Public Instruction is focused on investments that increase opportunity and improve outcomes for all Montana students through:

1. Montana Hope:
  - a. Prioritize the basics for student achievement (math, reading, science)
  - b. Accelerate student engagement
  - c. Focus on bandwidth connection in elementary, middle school, and high school
2. Montana Teach:
  - a. Grow flexibility and improve quality teachers
  - b. Improve Professional Development opportunities to enhance personal growth
  - c. Enhance the vision of teacher leadership
3. Montana Learn:
  - a. Getting Back to Basics: Strengthening math, reading, and science education
  - b. Create a meaningful assessment to acknowledge student growth in learning
  - c. Graduation: building the graduate profile
4. Montana Ready:
  - a. Cultivate a skilled workforce
  - b. Provide opportunities for public-private partnerships
  - c. Promote post-secondary opportunities for all Montanans
